### Experience It! The Amalfi Coast

The Amalfi Coast is a favored getaway for Italians and vacationers alike – everyone seeks out its relaxed atmosphere and Mediterranean sunshine. The town of Amalfi itself is a historic center home to a towering marble cathedral and atmospheric piazzas. Amalfi was formerly a thriving trading hub, rivaling that of Venice. As a Maritime Republic, the town made its money through import and export, a legacy still interwoven into its culture today. Although Amalfi is the coast's namesake origin, other towns along the rocky cliffs draw visitors from near and far. Find Sorrento, Positano, and more, all exuding the Amalfi vibe of winding roads, pastel-colored houses, and pebbly beaches. Travel among lemon trees and hillside groves as you make your way along the picturesque coastal drive.

**The overall activity level of this tour is a level 3.** This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily, stand for extended periods of time, up to 30 minutes at a time, and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. Our Client Care Agents can provide additional information or assistance to help you determine the perfect trip for you.

**Travel with an average of 37 people (maximum of 44).**

The included sightseeing program in Rome, Pompeii, Sorrento, Positano, and Amalfi requires accessing locations that forbid motor coaches from circulating. The same applies for the optional tour sightseeing outlined in the itinerary. All these areas require extensive walking over cobblestones, uneven and often narrow sidewalks, and occasionally unpaved terrain with loose gravel.

The archeological site of Pompeii is entirely pedestrianized, and the only access is via a steep ancient Roman street which is uphill and paved with huge, slippery cobblestones. Therefore, the site is not "accessible" by disabled standards. Throughout the archeological site, you will need to negotiate large cobblestones and steep sidewalks. There are NO vehicles inside the site, which is extremely vast. Positano is only accessible on foot and requires the ability to climb up and down multiple flights of stairs without the assistance of railings. We recommend bringing comfortable, well broken-in walking shoes. You should expect large crowds at each location, with long waiting times at ferry embarkation points where there is no seating available and you will be required to queue without seating, under the sun without access to shaded areas.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

The included activities are not suitable for travelers using motorized scooters, wheelchairs, walkers or Zimmer-frames.

Days of features are interchangeable.

Most shops and businesses in Italy are closed on Sundays and on national/religious holidays.

**\*\*Sailing along the Amalfi Coast is sea and wind dependent.** The ferry boats to Positano operate between April 1 and October 31. If you travel to the Amalfi Coast between November 1 and March 31, or in case of adverse weather conditions, the visit will be operated by bus, and you will not visit Positano, which is not accessible by motorcoach. The Amalfi Coast drive is along a very narrow, winding road. Reaching Amalfi and Positano by ferry boat requires boarding 3 different boats with a total sailing time of approximately 2 hours. Travelers prone to motion sickness and/or seasickness should take the proper precautions.

**\*\*\*The optional boat trip to the isle of Capri is dependent on sea and wind conditions.** According to the weather conditions, the ferry boat ride may depart from Salerno, Sorrento or Naples. The length of the sailing depends on the port of departure, varying between 30 and 120 minutes each way. Travelers prone to seasickness should take the proper precautions.

**\*During your stay on the Amalfi Coast standard accommodations at the Hotel Raito are limited and available on a first come, first served basis for departures utilizing that hotel.** Upgrades to superior rooms with a lateral view of the coastline and garden are available at an additional cost. Some departures will be accommodated in Sorrento where the hotel does not offer coastal views. Please inquire at time of booking.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Our air passengers will depart from Naples airport.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

#### Capri

##### **Bask in the Beauty of Capri**

**\$170 USD**

Spend the day exploring a Mediterranean paradise on the sparkling Bay of Naples. Embark from the port of Salerno and delight in a cruise to the wonderful Isle of Capri. Sail past the hill towns along the Amalfi Coast, passing colorful homes, lush gardens and architectural marvels. Take the funicular up to Capri village. Here, you'll take a guided walking tour where you'll get to the picturesque hilltop botanical gardens, Giardini di Augusto. Head to one of the floral-lined terraces to see enchanting panorama views, including the spectacular Faraglioni rocks. Then, savor lunch in a local restaurant – your opportunity to enjoy a Caprese salad! Spend some free time to soak in Capri's charm. Browse elegant designer shops or sip a coffee in the piazza and simply watch the world go by. A special ride along the funicular takes you back toward the Marina Grande to board your boat for the return to the mainland. This option is weather-permitting and boats may depart from Naples during certain times of year. *Duration: Approximately 9 hours.* Please note a minimum of 20 passengers is required. Transportation is included.

#### Rome

##### **Trastevere Food Tour**

**\$120 USD**

Follow your expert guide on an engaging tour of Rome's more epicurean side. Your culinary journey takes place in the bohemian Trastevere district, where medieval architecture meets ivy-clung houses and the lively chatter from the many eateries sprinkled through the neighborhood echoes off the cobblestoned streets. Partake in the local tradition of aperitivo (pre-dinner drink) before tasting your way through Rome's most representative street food, such as suppli (fried rice ball) and pastas. Top off your culinary exploration with a taste of artisanal gelato and learn how to tell a good one from a factory-made, ensuring you never eat a bad one again! *Duration: Approximately 5 hours.* Please note a minimum of 6 passengers is required. Transportation is included.

#### Paestum

##### **Paestum's Greek Ruins with Buffalo Farm Lunch**

**\$125 USD**

On this optional excursion, join a local guide to explore the only archeological site outside of Greece where a single glance encompasses all three Classic architectural styles. In Paestum, this triad of free-standing temples exemplifies the purity and elegance of the Doric, Ionic and Corinthian styles; remarkably preserved for over 25 centuries. Standing on an ample plain, Paestum proved in later times to be the ideal terrain for water buffalos that reached Italy from the Orient during the Dark Ages. This generous milk-producing animal is at the origin of one of Italy's staples: luscious mozzarella cheese! After your sightseeing tour, visit a local producer where you'll taste freshly made mozzarella with your lunch, before returning to the hotel in the early afternoon. *Duration: Approximately 7 hours.* Transportation is included.
